

# Affordable Apartments

Looking for an affordable place to live?

## To qualify for an apartment you will need to:

- **meet income requirements.** Units are income restricted by family size. *Please call the sites listed in this brochure for their income range. These numbers change every year based on county median incomes.*
- **have good credit.** We don't demand perfect credit, but you may need to improve your credit before you qualify. If you need credit repair help, call On Track Financial Education and Counseling Services at 255-5166. *There is no credit check for rental assistance voucher holders.*
- **provide an acceptable criminal background check.**

## Things to know when calling about availability

You will be speaking to an employee of Partnership Property Management (PPM) when you call. (PPM manages all of MHO's apartment communities.) You may call for information, but you will need to apply in person at the selected apartment management office. PPM will give you directions to the site. *If apartments are not available immediately, you can request to be put on a waiting list.*

**For information on apartment openings,
